A unique and exclusive connection that offers an octagon of fun possibilities

The Universal is our unique connection system that allows for unlimited park designs and evolutions. This octagon shaped platform allows our Speedway and Swimstep connections to connect to all 8 sides at once offering multiple angles and unlimited possibilities for Aquapark design. The Universal can be used as a hub, a corner or anything in between. Park layouts can be changed easily and quickly and it allows your Aquapark to evolve over time, so adding new exciting components is easy. It can be connected to any Aquapark using the 5 D-Ring Interloc system on all 8 sides combined with our secure Vario-Lock cinch strap system.
