

Stop! Read this manual carefully before using this product!

It is the owners responsibility to read the owners manual and instruct all users in the safe operation of this product. By using this product you hereby agree to the Release of Liability, Claim Waiver and Assumption of Risk Agreement on the back of this manual. Please read this manual prior to using this product and keep for future reference. Recklessness, inexperience, misuse or neglect of the equipment may result in serious injury or death.

Please Do Not Return this Product to the Store!

For questions regarding assembly, parts or warranty, contact our customer service department directly at 509-493-4938, option 1 (8am to 5pm, PST Monday-Friday) or access product information at www.aquaglide.net, or email to info@aquaglide.net

Warning Turbo 12v Pump

Read the following instructions and warnings before using this Aquaglide Pump:

- **This product should never be used by children except under adult supervision.**
- **Never leave pump operating unattended.**
- **Risk of electric shock: as with any electric appliance, do not operate near water or moisture.**
- **Never look into, or point inflate/deflate ports or nozzle toward eyes while pump is in operation.**
- **Do not use under the influence of alcohol or drugs.**
- **Read Operator's Manual before use.**

To reduce the risk of injury or death, follow these guidelines:

- **Power supply must be DC12v, connected to battery terminals or other suitable 12v bus.**
- **Do not tamper with power cord or attempt to connect to 12v cigarette lighter port. Pump draws over 33 amps and may cause electrical damage or fire if improperly wired.**
- **Store in a cool dry area, away from heat and moisture.**
- **Keep away from dust, debris, or particles that could be sucked into air intake while operating.**
- **Do not operate continuously for more than 15 minutes as overheating may occur.**

THIS PRODUCT IS DESIGNED FOR FAST INFLATION/ DEFLATION OF WATERSPORTS PRODUCTS WITH LARGE VOLUME, OPERATING UNDER MODERATE AIR PRESSURE OF 2.5 P.S.I. OR LESS. NOT FOR HIGH PRESSURE APPLICATIONS OR CONTINUOUS USE.

Figure 1: Turbo12v Pump

INFLATION Position pump near valve(s) of product to be inflated. Connect power cord to standard DC12v battery terminals, making sure no water or moisture is present. Red alligator clip must connect securely to red (+) terminal, and Black alligator clip must connect securely to Black (-) terminal. Connect one end of hose to 'Inflate Port' of pump (see Fig.1). Select proper nozzle for your application and connect to opposite end of hose. Insert nozzle firmly into opened valve of product and turn pump on using "on/off" switch located on pump body. Inflate until firm, turn pump off, then close valve.

DEFLATION Position pump near valve(s) of product to be inflated. Connect power cord to standard DC12v battery terminals, making sure no water or moisture is present. Red alligator clip must connect securely to red (+) terminal, and Black alligator clip must connect securely to Black (-) terminal. Connect one end of hose to 'Deflate Port' of pump (see Fig.1). Select proper nozzle for your application and connect to opposite end of hose. Insert nozzle firmly into opened valve of product and turn pump on using "on/off" switch located on pump body. Deflate until air is removed. Do not let pump run once air is removed.

Please contact us if you have any questions on the proper selection, function, or safe use of this product.

Turbo12v Pump Owners Manual

NOTICE! - Release of Liability, Claim Waiver and Assumption of Risk Agreement

By opening and using this product, you are agreeing (1) to be bound to the terms set forth below; and (2) to require anyone using this product to be bound by such terms. If you are unwilling to be bound by these terms, return this product (before use) for a full refund.

ASSUMPTION OF RISK: Use of this product and any of its components involves certain inherent risks, dangers and hazards which can result in serious personal injury and death. In using the product you freely agree to assume and accept any and all known and unknown risks of injury while using this equipment. The risks inherent in the sport can be greatly reduced by abiding by the Warning Guidelines listed in this Owner's Manual and by using common sense.

RELEASE AND WAIVER OF CLAIMS AGREEMENT: In consideration of the sale of the product to you, you hereby agree to the fullest extent permitted by law, as follows:

TO WAIVE ANY AND ALL CLAIMS that you have or may in the future have against Aquaglide, Inc., North Sports Inc., its distributors and dealers resulting from use of this product and any of its components.

TO RELEASE North Sports, Inc. and Aquaglide, Inc. from any and all liability for any loss, damage, injury or expense that you or any users of this product may suffer, or that your next of kin may suffer, as a result of the use of this product, due to any cause whatsoever, including negligence or breach of contract on the part of North Sports in the design or manufacture of this product and any of its components.

ARBITRATION: In further consideration of the sale to you of this product and any of its components, you hereby agree to submit to binding arbitration any and all claims which you believe you may have against North Sports arising from the use of any Aquaglide equipment or products. The arbitration shall be pursuant to the rules of the American Arbitration Association. Arbitration shall be commenced within (1) year from the date on which any alleged claim first arose. Further, the arbitration shall be held in White Salmon, Washington unless otherwise mutually agreed to by all parties. The submission to the American Arbitration Association shall be unlimited and the arbitration award may be enforced by any Court of competent jurisdiction.

BINDING EFFECT OF AGREEMENT: In the event of your death or incapacity, this Agreement shall be effective and binding upon your heirs, next of kin, executors, administrators, assigns and representatives.

ENTIRE AGREEMENT: In entering into this Agreement, you are not relying upon any oral or written representations other than what is set forth in this agreement and the Aquaglide Owner's Manual.

Warranty

REGISTER ONLINE: www.aquaglide.net/registration_form.cfm

North Sports warrants Aquaglide Electric Pumps to be free of defects in material or workmanship to the original purchaser for a period of ninety (90) days from date of purchase. This warranty is subject to the following limitations:

- 1.** The warranty is valid only when the warranty card is properly filled out online at www.aquaglide.net within (30) days from date of purchase.
- 2.** Warranty is valid only when the Aquaglide product is used for normal recreational activities, and does not cover use in schools or rental operations.
- 3.** North Sports will make the final warranty determination which may require inspection and/or photos of the product which clearly show defect(s). We require the above must be sent to North Sports

postage prepaid or by email to warranty@north-sports.com. Product can be returned only if a return authorization number (RA) is given by North Sports in advance. The RA number must be on the outside of the package or it will not be accepted at our warehouse. Upon receipt, North Sports will perform its responsibilities within (30) days.

4. If a product is deemed to be defective by North Sports, the warranty covers the repair or replacement of the defective product only. North Sports will not be responsible for any costs, losses or damages incurred as a result of loss of use of product.

5. This warranty does not cover damage caused by misuse, abuse, neglect or normal wear and tear including, but not limited to, exposure to moisture, exposure of pump intake to debris or particles of any kind, damage due to excessive sun exposure,

damage caused by improper handling and storage, damage caused by continuous use/ overheating, damage caused by anything other than defects in materials and workmanship.

6. This warranty is voided if any unauthorized repair, change or modification has been made to any part of the equipment. Authorization for such must come in writing from North Sports.

7. The warranty for any repaired or replacement equipment is good from the date of the original purchase only.

8. Any warranty claims must be accompanied by the original purchase receipt. The name of the retailer and date of purchase must be clear and legible.

9. There are no warranties which extend beyond the warranty specified here.
